REACT? DO YOU? HOW WELL?

The Tri-zone **REACT** Clinics are designed to help you achieve just this. Through a series of jumping exercises, tests and courses we will empower your confidence, focus and ability to react to different situations put to you and your equine partner.

Following the ridden session pupils will be given the chance to ask questions with regard to their training session and ask advice in connection with their eventing career from the Coaches.

Riders will be able to take advantage of the vast knowledge available to them from the CDT Coaches. Britain has always been at the forefront of International Eventing it is now our turn through the Tri-zone **REACT** Training Clinics to ensure that this trend continues by giving pupils the knowledge and core skills they need to be successful in this sport.

We hope the pupils will enjoy these clinics and increase their knowledge and awareness of the sport leading to a more competitive and confident performance.
