**REACT?**

**DO YOU?**

**HOW WELL?**

The Tri-zone REACT Clinics are designed to help you achieve just this. Through a series of jumping exercises, tests and courses we will empower your confidence, focus and ability to react to different situations put to you and your equine partner.

Ridden instruction will be followed by a de-briefing, incorporating a review of the ridden work, and supporting theory.

**FURTHER DATES AND VENUES OF THE CLINICS ARE AVAILABLE ON**
