

SUMMER ACTIVITY DAYS - AUGUST 2014

OPEN TO CHILDREN 8+ & TEENS

BOOK ON : 01364 649461

What is a CFEC Activity / Pony Day

An all day programme with adult supervision by experienced and qualified staff.

The Focus: Enjoyment of the countryside whether riding our ponies: lessons, hacks and pony care such as grooming and bathing the ponies, learning about countryside, horses and other animals, exploring our local woods and moorland, taking part in fun team games such as problem solving and communication games as well as plain silly and often mucky fun games.

All activities involve Devon's fresh air and countryside but wet weather poses no problems with our massive indoor arena, large barn and porta-cabin.

Children and Teens spend an entire day with us meeting all the horses and ponies (including meeting our foals) and learning all about their care and management as well as enjoying riding.

Learning about Horses & Ponies : Safety and fun whilst learning.

Learning about the responsibility of caring for an animal, handling the ponies, grooming, feeding and preparing them for riding. Older and more experienced children learn more advanced management and care

Riding : Instruction is in our 50x30 Indoor Arena or in our outdoor school. We can cater for beginners to advanced riders in our ridden activities. Beginners will be on a lead rein. We often have hacks out, mounted team games and obstacle courses.

ACTIVITY & PONY DAYS TAKE PLACE THROUGHOUT THE SUMMER HOLIDAYS. BESPOKE DATES/COURSES CAN BE ARRANGED.

£40 per day – including riding, bring packed lunch

25% off when booking 3+ consecutive days
